## DESIGNED AND DELIVERED BY UniSA.

**Every aspect of your UniSA Online degree is designed and delivered by UniSA's very own experienced academics and online learning experts. This differs from many other online university providers.**

As a student, you'll benefit from our academic and curriculum expertise, extensive industry connections and leading-edge research into online learning.

We collaborate, we innovate, and we're constantly implementing new ideas, solutions and strategies to improve our courses and support services so that you get the very best out of your time with us.

We exist to create exciting futures through online learning. We're 100% focused on providing the best experience and outcomes for our students.

No matter where you live or how busy your life might be, you'll engage with a team of passionate and experienced people who are committed to ensuring you have an outstanding, high-quality education.

## BUILDING ON 25+ YEARS OF DELIVERING ONLINE AND DISTANCE EDUCATION

We have a long tradition of off-campus learning, establishing the UniSA Distance Education Centre more than 25 years ago. Our centre was designated as one of eight national Distance Education Centres in Australia and was one of the largest providers of distance education in the country.

UniSA Online builds on the University's history and experience, opening up more opportunities for people to earn a degree and take charge of their career.

With more than 37,000 students across six campuses, and 5,000 students studying online, you'll join a diverse community of learners and award-winning teachers.

## A MESSAGE FROM OUR VICE CHANCELLOR

UniSA is ranked in the top two universities in Australia for graduate employability\*.

UniSA Online has been built on the continued evolution of our University, which since its inception, has made it possible for thousands of people in Australia and around the world to access high-quality, 100% online degrees and courses that can be studied anywhere, anytime.

We have been perfecting this for more than 25 years and have had outstanding success in offering further education to people who have jobs and families to juggle. Even amidst the pandemic which changed the way we all live, work, interact and connect with the world, those who chose to study online with us were able to keep progressing their careers without interruption.

Our online degrees have been developed from scratch – at every point we have considered how we can teach to the highest standards in an online environment and deliver an exceptional student experience, while maintaining a focus on developing the skills employers are looking for today.

As Australia's University of Enterprise and a university that prizes our close relationships with business, industry and the professions, we are reflecting that relevance in the design of all of the UniSA Online degrees so that learning activities reflect real work environments. This is your opportunity to upgrade your career or change your future with one of Australia's largest online education providers<sup>^</sup>. I wish you all the success in the world as you take these next steps with us and enter the world of education On Demand through UniSA Online.

**Professor David G. Lloyd**  
Vice Chancellor and President

\* Ranked #2, 2020 QILT Employer Satisfaction Survey  
– Graduate Employability Skills Indicator  
<sup>^</sup> 2020 Department of Education, Skills and Employment

"Our degrees are designed by academic experts who have strong links to employers. This relationship ensures you'll be equipped with the most current information needed to be successful in your career. We engage our students in innovative, quality learning experiences within a supportive environment that develops leadership skills and fosters confidence in discipline knowledge, problem solving and critical thinking.

Embarking on a university degree is an exciting milestone in life – and UniSA Online will play an important part in helping you achieve your career goals."

**Associate Professor Barbara Parker**  
Executive Director: UniSA Online

# Take control of your study with UniSA Online

## WHY STUDY ON DEMAND?

All assessments are **100% online**. No need to come onto campus

**Four start dates** in January, April, June and September

Learn in **10-week blocks**

**24/7 access** to learning resources

Online student **support services** seven days a week

All content **available before your term starts**

Fit life **around study**

**Plan your study** schedule ahead of time

**Scholarships and grants** available for eligible students

## START YOUR CREDIT CHECK

Fast-track your degree and receive credit for past study and/or work experience.

Visit [unisaonline.edu.au/credit](https://unisaonline.edu.au/credit)

## BENEFIT FROM 100% ONLINE STUDY

### Designed specifically for online learning

Learn through media-rich course material, short engaging videos, and interactive activities such as quizzes, forum posts and online face-to-face discussions. Your degree has been designed specifically for online learning to ensure you graduate with the skills and knowledge needed for your future career.

### 100% online – no need to come onto campus

Everything from your course content to weekly activities and assessments is 100% online. You'll communicate with academic staff and students via live messages, online discussion forums and email. You'll never need to set foot on campus, which is perfect if you wish to continue working while you study.

### Plan your study schedule ahead of time

All of your course content is available before your term starts. This means you can log in and have a look at your learning materials, weekly activities and assessments ahead of time. You'll have the ability to organise your study schedule and factor in family, work or life commitments in advance.

If you know you've got a busy week coming up, you can complete your course readings or assessments beforehand so you don't fall behind.

### Fit life around study

Full-time students study two courses each term. It makes earning a degree completely achievable, especially if you're working. Your degree is delivered over four terms each year. Each term runs for 10 weeks with 2-week breaks in between each term.

You'll also have the option to go part-time, or switch between the two. If you need to take a break in your study, that's an option too. We recommend speaking to your Student Adviser who can help you update your study plan and check when your courses are offered.

**STUDYING  
A DEGREE IS

**Lucy Andrew**  
Online Course Facilitator  
Critical Approaches to  
Online Learning

**“Your success means everything to us. I love interacting with students face-to-face online and encourage students to connect with us. We’re here to get you off to the right start, provide the help you need, and we’ll be there to applaud loudly when you graduate.”**

# Get support seven days a week

**Glenn Meiners**  
UniSA Online HR graduate  
Human Resources Business Partner,  
Hobsons Bay City Council,  
VIC

**“Studying 100% online was really appealing, especially as I work full-time. With a busy timetable, it’s been great being able to email and live message my online academics and support staff whenever I needed. They’ve always been extremely supportive and check in regularly. Most importantly, they understand that for a lot of students, life can get in the way and sometimes things don’t always go according to plan. It’s fantastic knowing there are people on the other end who can relate and will do all they can to make sure you’ve got everything you need to achieve your very best.”**

## OUR SERVICE COMMITMENT TO YOU

Whether you need help with assignments and referencing, or require administrative or technical support, you’ll have On Demand access to a team that’ll be there to support you every step of the way. As a UniSA Online student, you’ll engage with people who genuinely care about helping you achieve your very best.

## HOW WE SUPPORT YOU

### Contact online academics seven days a week

You’ll be supported by our highly experienced academic team of Online Course Facilitators and Online Tutors. Our academics will guide you through your learning and ensure you have an outstanding, high-quality education.

They can help you with your course materials and assessments, provide feedback on your work, assist you with referencing as well as answer any other course-specific queries.

You’ll be able to contact your academics via email, online discussion forums and live messages in the online learning environment. You can also communicate in real-time and chat face-to-face with your academics online.

### Receive dedicated Student Adviser support

Your Student Adviser will be an important part of your university experience. They can help you enrol, plan your courses, or discuss personal circumstances that may impact on your studies. They’ll link you to other support services in the University and can help you schedule appointments if required.

### Get tech support around the clock

Our IT Help Desk is available 24/7 to provide assistance with your computer set up, student email, software requirements and other UniSA apps and student applications. You’ll be able to get support no matter what time it is.

### Access free software and resources

Download the full Office 365 ProPlus suite, which includes full versions of programs like Word, PowerPoint, Excel, Outlook and OneNote. Along with 1Tb of personal storage that syncs with your PC or mobile device, you’ll also have free access to more than 5,000 video courses on Lynda.com.

### Check your device

See if your device has the minimum IT requirements to study online. You’ll be able to check the speed of your internet connection and see if you have the system requirements to sit online exams. The computer system test takes just a few seconds.

Visit [unisaonline.edu.au/systemtest](http://unisaonline.edu.au/systemtest) to learn more.

### Download study resources and access other University services

Learn useful study strategies and download materials designed to improve your study skills. Get personalised career advice and access counselling and wellbeing services, disability support, Warringka Student Services, learning advisers, and library staff over extended hours.

Visit [unisaonline.edu.au/support](http://unisaonline.edu.au/support) to find out more.

Our Student Adviser team can help you with study admin and non-academic related questions.

**Professor Shane Dawson**  
Executive Dean, UniSA  
Education Futures

“UniSA is one of the leading universities in the world known for its learning analytics research. As a founding institution for the Society for Learning Analytics Research, we’ve been involved in numerous national and international projects that look at how students engage and learn in online settings. We’re continuously investigating and developing new innovations that will benefit our students’ learning experience and future employment options.”

# Become a digital business leader

## ACCENTURE AND UNISA – TRANSFORMING YOUR BUSINESS EDUCATION

UniSA and Accenture created the joint venture Innovation Academy in Digital Business to help transform the way Australia delivers business education and address the known and emerging digital skills gaps.

Accenture is a global professional services company that helps solve problems for businesses, with more than 700,000 employees across 50 countries. They offer strategy, consulting, interactive, technology and operations services to some of the world's biggest brands and organisations.

In the digital business degree, Accenture's team will share their expertise, experiences with clients from around the world, networks, and the latest findings from their research and innovation labs.

### Accenture's graduate experience

Every UniSA Digital Business graduate will have the opportunity to interview for Accenture's highly sought-after graduate experience. Accenture graduates are given the opportunity to learn, grow and develop in a supportive and welcoming environment. There's real work with real clients from the first day, and you'll be helping companies embrace change and improve how we live and work.

UniSA Digital Business graduates can interview for Accenture's graduate experience or apply for open roles in Accenture's offices across 200 cities. The opportunities with Accenture are endless.

**Ranked as one of Australia and New Zealand's most innovative companies**

**TJ Singh**

Accenture graduate now Analyst, Strategy and Consulting, Accenture

**"I spent the first two months working on proposals for a global automotive brand focused on reshaping the customer experience.**

**I then quickly got the opportunity to jump onto my first project with one of Australia's major banks. One of the biggest surprises about joining Accenture has been how personal and welcoming it feels, despite being such a large global business."**

## DID YOU KNOW?

# 79%

The average worker will need to gain seven new digital skills to keep pace and the number of newly skilled and reskilled technology workers will need to increase 79 per cent by 2025.\*

\*Natasha Body, Australia needs 6.5m digital workers in the next four years, Australian Financial Review, 18 February 2021.

## Bachelor of DIGITAL BUSINESS XBDB

[unisaonline.edu.au/digital-business](https://unisaonline.edu.au/digital-business)

### DEGREE INFO

- 100% online
- Full-time (3 years, 2 courses per term), part-time, or any study combination
- January, April, June, September
- 10-15 hours per week per course

### KEY FEATURES

Accenture's top digital minds and UniSA's expert academics teach together to give you the best of both worlds: an industry-led academic degree.

You'll learn how to evaluate key business challenges and opportunities, develop innovative digital solutions, and adapt to the rapid rate of tech advancement. Work-integrated learning also means you'll be able to apply your new skills from day one.

A paid internship in your final year will cement your industry relationships and you'll also be invited to apply to Accenture's exceptional graduate program.

No matter how fast technology changes, UniSA Digital Business graduates will be well ahead with a degree designed for the future.

### CAREERS

Project manager / digital experience manager / management consultant / business manager / operational manager / business analyst / business development manager / digital transformation lead / entrepreneur / digital innovator / business change consultant / business process analyst / client account manager

### ALTERNATIVE PATHWAYS

Complete an online literacy and numeracy test and hold relevant work experience, or complete the Foundation Studies program or a Diploma in Business through UniSA College.

**STUDENT SPOTLIGHT**

**Michael Burbidge**  
Marketing student  
SA

**"I fell into sales by chance – marketing is something I've always been interested in without realising. I've already been able to apply my course content and suggest alternative strategies in our sales team meetings."**

**Initially, I wanted to study marketing to see how I could help the company out, but as I progress through my degree, I can see all the different opportunities."**

**LEARN FROM THE EXPERTS**

**Did you know that the Ehrenberg-Bass Institute for Marketing Science is the world's largest centre for research into marketing?**

Based at UniSA, the Institute's team has more than 50 marketing scientists who make fundamental discoveries about how brands grow and buyers behave. Study marketing and get the opportunity to learn from researchers who have advised global brands such as Colgate-Palmolive, McDonald's and Kellogg's.

[marketingscience.info](http://marketingscience.info)

ACCREDITED BY:

**INDUSTRY SPOTLIGHT**

**Christopher Villani**  
UniSA graduate

General Manager: Marketing,  
Merchandise & Strategy  
Foodland Supermarkets

**"I lead a team that's responsible for Foodland's advertising, communications, media, sponsorships, public relations, and consumer insights."**

**No two days are ever alike. One day, I might be planning the next advertising campaign and media schedule, the next I could be talking about opportunities with a new sponsor and planning point of sale material.**

**Having such a diverse skill set in both marketing and communications, while staying abreast of all the digital platforms, is pivotal to my role."**

Bachelor of  
**MARKETING AND COMMUNICATION** XBMN

[unisaonline.edu.au/marketing-communication](http://unisaonline.edu.au/marketing-communication)

**DEGREE INFO**

- 100% online
- 3 years full-time
- January, April, June, September
- Part-time study available
- 10-15 hours per week per course

**KEY FEATURES**

Become a well-rounded marketing and communications professional with a broad skill set in social media, advertising, public relations, content creation, marketing analytics, retailing, and brand management.

Learn emerging trends in digital marketing including online advertising, mobile marketing, and customer relationship management (CRM) strategies.

Learn to write media plans, develop communication strategies, and explore areas such as corporate social responsibility, sponsorship, and crisis communication.

Gain essential skills for contemporary marketing and communication roles, no matter what industry you choose to work in.

Be guided by experts who conduct world-class research at the Ehrenberg-Bass Institute for Marketing Science and advise global brands like Colgate-Palmolive, McDonald's and Kellogg's.

**STUDENT SPOTLIGHT**

**Katie Harris**  
Communication student  
Senior Corporate Communication  
Advisor, University of  
Technology Sydney

**“I chose to study Communication because I have a passion for writing and social sciences - and I wanted to learn the tools and strategies to communicate professionally and creatively.**

**Everything in this degree is geared to the real-world. The knowledge and skills I’ve gained have helped me immensely in my current role at the Australian Institute of Company Directors. Recently, I was required to develop a marketing and communications brief for Qantas, and I was able to use the templates we were studying to help guide me.”**

Diploma in  
**HEALTH** XDHE

[unisaonline.edu.au/dip-health](http://unisaonline.edu.au/dip-health)

**DEGREE INFO**

- 100% online
- 1 years full-time
- January, April, June, September
- 10-15 hours per week per course

**KEY FEATURES**

The Diploma in Health is the perfect starting point for anyone who's new to study, returning after time away, or looking for a clear path to the university degree of their choice.

Study health subjects at first-year university level and gain up to two credits towards a health degree.

Get the skills and confidence to succeed in any university degree.

Learn how to evaluate and solve problems.

Develop critical thinking and computer skills.

Graduate with a GPA so you can apply to study any degree, at any university.

**CAREERS**

Health diploma graduates can transition into areas like nursing, midwifery, physiotherapy, pharmacy, medical radiation science, medical sonography, sport sciences, human movement, biosciences, exercise physiology, occupational therapy, speech pathology, podiatry, and nutrition and food sciences.

At UniSA Online, your diploma could earn you up to two credits toward a Bachelor of Community Health, Bachelor of Public Health, Bachelor of Health Science, Bachelor of Health Science (Healthy Ageing), and Bachelor of Health Science (Nutrition and Exercise).

**ALTERNATIVE PATHWAYS**

Completion of online literacy and numeracy test with relevant work experience; or Foundation Studies program or equivalent through UniSA College.

**DEGREE STRUCTURE**

| FIRST YEAR                             |
|--|
| Critical Approaches to Online Learning |
| Applied Computer Practices             |
| Introduction to Biosciences            |
| Introduction to Anatomy                |
| Critical Thinking: Media and Academia  |
| Introduction to Human Physiology       |
| 2 x Electives                          |

**ACADEMIC SPOTLIGHT**

**Dr Natasha Wilson**  
Program Director  
Diploma in Health

**“Providing high quality learning experiences that are student-centred and inclusive has been a key focus of my role since becoming a lecturer with UniSA in 2017. I have a strong background in biology and completed my PhD here at UniSA in 2015. My research sought to understand the role of toxins in predator-prey relationships, with a particular focus on how freshwater predators interact with cane toad eggs and tadpoles.**

**What I love most about my current role is getting to share my passion for science with students.”**

**STUDENT SPOTLIGHT**

**Rebecca Cooke**  
Aged Care student  
Small business owner  
SA

**“I’d been considering the aged care sector as a career change when my father passed away last year. He’d been living with Parkinsons Disease for some time and then was diagnosed with cancer. It opened my eyes to the kinds of support that older people can access and gave me insight into living with chronic illness.**

**I am motivated by my personal experiences and enjoy being around older people and making a difference. I know that starting in a new industry means beginning with an entry-level role but I know I have a lot of life and professional experience to offer. I’m excited to build new skills and can’t wait to see what the future holds.”**

Diploma in  
**AGED CARE** XDAC

[unisaonline.edu.au/dip-aged-care](http://unisaonline.edu.au/dip-aged-care)

**DEGREE INFO**

- 100% online
- 1 year full-time
- January, April, June, September
- Part-time study available
- 10-15 hours per week per course

Note: Applications open from October 2020.

**KEY FEATURES**

Complete your qualification in 12 months and start your career in one of Australia’s fastest-growing sectors.

Study relevant course content that has been developed in collaboration with leading aged care providers.

Take a holistic approach to aged care and build a combination of high-level care and lifestyle support skills that employers are calling out for.

Study course content that has been mapped to relevant standards which include the Aged Care Quality Standards and the National Safety and Quality Health Service (NSQHS) Standards.

Choose to pursue further study and use your qualification as a pathway into bachelor degrees in health, nursing, social sciences or a range of allied health fields.

Note: To secure employment as an aged care worker, you must obtain a National Police Certificate and provide a First Aid Certificate. In addition to this, if you are providing community and home support care, you will need to hold a valid driver’s licence. For those wishing to work in South Australia, an additional employment screening will be conducted. Requirements for other states may vary.

**CAREERS**

Aged care worker / residential support worker / community support worker / recreational and lifestyle support coordinator

**ALTERNATIVE PATHWAYS**

Completion of online literacy and numeracy test with relevant work experience; or Foundation Studies program or Diploma in Health through UniSA College.

**DEGREE STRUCTURE**

| FIRST YEAR                                    |
|---|
| Essential Skills for Working in Aged Care     |
| Communication and Ethics in Aged Care         |
| Living Skills and Life Routines in Aged Care  |
| Quality and Safety in Aged Care               |
| Enablement and Dignity in Aged Care           |
| Mental Health, Dementia and Behaviour Changes |
| Multidisciplinary Teams in Aged Care          |
| Transition to Employment in Aged Care         |

**UNDERGRADUATE CERTIFICATE IN AGED CARE**

Need a flexible option? Study the first four courses in the Diploma in Aged Care, and you could gain an Undergraduate Certificate in Aged Care.

Learn more at [unisaonline.edu.au/ug-cert-aged-care](http://unisaonline.edu.au/ug-cert-aged-care)

Bachelor of  
**PUBLIC HEALTH** XBPH

[unisaonline.edu.au/public-health](http://unisaonline.edu.au/public-health)

**DEGREE INFO**

- 100% online
- 3 years full-time
- January, April, June, September
- Part-time study available

**ACADEMIC SPOTLIGHT**

**Prof. Craig Williams**  
Program Director, Bachelor of Health Science (Healthy Ageing)

**“I started my professional life as a researcher studying animal ecology and the environment, and as a lecturer in biomedical sciences. But through time, I’ve become more and more interested in how the health of the environment and the state of our planet interacts with human health.**

**Understanding the food and medicines we put into our bodies, and how we behave and interact with the environment, is vital for ensuring our future on this planet.**

**The ageing populations of the economically developed world present serious challenges for future graduates. We need to ensure our graduates are ready for these challenges.”**

**STUDENT SPOTLIGHT**

**Veddie Tularam**  
Nutrition and Exercise student  
TerryWhite Chemmart  
NSW

**“I’ve been a registered pharmacist since 2010. In order to help my patients more holistically, I wanted to expand my knowledge, remain current with health information, and learn more about nutrition and exercise.**

**The information I’ve learned in my degree allows me to better explain concepts to my patients, including the risks and benefits of certain diets and health fads.**

**The biology videos in this degree are amazing. Although they’re fast, they cover important information in a short period of time. The way they’re presented makes the concepts really easy to understand and the learning experience more enjoyable.”**

Bachelor of  
**HEALTH SCIENCE  
(NUTRITION AND EXERCISE)** XBNE

## PROGRAM FACILITATOR SPOTLIGHT

**Dr Ysabella Van Sebille**  
Program Facilitator

**“I have always been passionate about health – both personally and professionally.**

**After completing my PhD (Medicine), with research centred on gastrointestinal toxicities found in cancer treatments, I have been heavily involved in developing new online education platforms to improve teaching and learning in human biology.**

**The work I’ve done in this area, including my volunteer roles and research output, has resulted in multiple awards, including the South Australian Young Achiever of the Year in Science and Technology.**

**I’m excited to share my knowledge and expertise with the next wave of professionals in Australia through UniSA Online. Our academic team of Program Facilitators, Online Course Facilitators and Online Tutors are committed to ensuring every student is well supported to succeed in their studies.**

**As a graduate, you will come out with a well-rounded skill set that the industry is telling us they need, no matter where your career takes you.”**

## STUDENT SPOTLIGHT

**Shaun Mitchell**  
Community Health student  
SA

**“I’ve worked at the Women’s and Children’s hospital for the past 11 years. I started in medical records and worked my way up to become a supervisor in the switchboard and communications unit.**

**I knew I wanted to go back to uni, but every time I looked I never found a degree that was suitable for my lifestyle. When I found UniSA Online it was like all the stars aligned.**

**When I’m on call and need to run in to work at a moment’s notice, I have the flexibility to do that with my degree.”**

## Bachelor of COMMUNITY HEALTH XBCH

[unisaonline.edu.au/community-health](http://unisaonline.edu.au/community-health)

### DEGREE INFO

- 100% online
- 3 years full-time
- January, April, June, September
- Part-time study available
- 10-15 hours per week per course

### KEY FEATURES

Gain specialised non-clinical skills and knowledge in community health and explore your passion for wellness.

Focus your studies in areas such as mental health, disability and aged care.

Work on real-world projects that shape the health and wellbeing of communities.

Graduate career-ready with the skills to easily transition into community health care environments.

Be prepared for opportunities created by the National Disability Insurance Scheme (NDIS).

### CAREERS

Community health worker / community development officer / health support worker / disability support coordinator / aged care coordinator / project officer / health policy analyst / youth worker

### ALTERNATIVE PATHWAYS

Completion of online literacy and numeracy test with relevant work experience; or Foundation Studies program or Diploma in Health through UniSA College.

### DEGREE STRUCTURE

#### FIRST YEAR

Critical Approaches to Online Learning  
The Social World  
Foundations of Human Biology 1  
Psychology Concepts  
Foundations of Human Biology 2  
Exploring Global and National Health  
First Peoples’ Health OR Intercultural Communication  
Introduction to Mental Health

#### SECOND YEAR

Lifespan Growth and Motor Development  
Professional Communication to Work in the Health Industry  
Foundations of Nutrition and Health  
Health Promotion  
Health Law, Ethics and Policy  
Ageing and Disability Friendly Environments  
Project Management for Health and Wellness  
Elective

#### THIRD YEAR

Public Health  
Supporting Dignity through Enablement  
Disability and Ageing: Diversity and Discrimination  
Case Management for Consumer Directed Care in Disability and Aged Care  
Transition to Employment  
Community Health Project 1  
Community Health Project 2  
Elective

Associate Degree in  
**INFORMATION TECHNOLOGY** XTIT

[unisaonline.edu.au/asc-deg-IT](http://unisaonline.edu.au/asc-deg-IT)

**DEGREE INFO**

- 100% online
- 2 years full-time
- January, April, June, September
- Part-time study available
- 10-15 hours per week per course

**KEY FEATURES**

Fast-track your IT career with industry-recognised qualifications in just two years.

Learn the fundamentals of computer programming and software development to feel at home with any system.

Enhance your problem-solving skills using design thinking and digital innovation principles.

Discover data analytics and how you can get, process, and visualise data to guide decision-making and help organisations thrive.

Gain the skills to design, implement and test software systems in small-medium businesses.

Learn basic web development and user experience principles and processes.

Evaluate the impact of cybersecurity threats and learn the basics of symmetric and asymmetric cryptography to help protect organisational data.

**CAREERS**

Data analyst / database administrator / IT consultant / web administrator / system analyst

**ALTERNATIVE PATHWAYS**

Completion of online literacy and numeracy test with relevant work experience; or Foundation Studies program or equivalent through UniSA College.

**DEGREE STRUCTURE**

**FIRST YEAR**

- Information Technology Fundamentals
- Design Thinking and Digital Innovation
- Problem Solving and Programming
- Critical Approaches to Online Learning
- Data Driven Web Technologies
- System Requirements and User Experience
- Object Oriented Programming
- System Requirements Practice

**SECOND YEAR**

- System Design and Realisation
- Business Intelligence
- System Design Practice
- Network Fundamentals
- Enterprise Systems
- Agile Development and Governance
- Cloud Platforms
- Elective

**DID YOU KNOW?**

**\$1.8B**

The contribution digital technology makes to the Australian economy is forecast to grow by up to \$1.8 billion dollars by 2026.\*

\*Australia's Digital Pulse - Computer Society, 2021.

**15%**

Global cybercrime costs will grow by 15 percent per year over the next five years<sup>^</sup>, making IT and cybersecurity knowledge more valuable than ever.\*

\*Australian Institute of Criminology, Statistical Bulletin 34, July 2021.

**STUDENT SPOTLIGHT**

**Nicole Park**  
UniSA Online Women in STEM grant recipient  
QLD

**“I’ve studied partially online in the past at a different institution, but my experience at UniSA Online has been completely different. It’s amazing because every course has been thoughtfully put together for online students.**

**The support has been fantastic. My student adviser has been really helpful with answering questions about fees and also put me in touch with the University’s disability services team who helped me put together my access plan.”**

Bachelor of  
**INFORMATION TECHNOLOGY** XBIT

[unisaonline.edu.au/it](http://unisaonline.edu.au/it)

**DEGREE INFO**

- 100% online
- 3 years full-time
- January, April, June, September
- Part-time study available
- 10-15 hours per week per course

**KEY FEATURES**

Gain the skills to design, implement and test small and large software systems.

Learn fundamental programming constructs that can be applied to programming languages such as Python.

Explore how information systems and business intelligence can enhance business operations and drive decision making.

Evaluate the impact of contemporary cybersecurity threats within an organisational context.

Discover common Agile principles and methodologies including the Scrum process.

Enhance your problem-solving skills and tackle challenges from a range of perspectives using design thinking principles.

**CAREERS**

Software developer / networking analyst / web developer / IT consultant / database developer / IT manager / systems analyst / cybersecurity analyst / computer programmer / user interface developer

**ALTERNATIVE PATHWAYS**

Completion of online literacy and numeracy test with relevant work experience; or Foundation Studies program or Diploma in Science and Technology through UniSA College.

**DEGREE STRUCTURE**

**FIRST YEAR**

- Information Technology Fundamentals
- Design Thinking and Digital Innovation
- Problem Solving and Programming
- Critical Approaches to Online Learning
- Data Driven Web Technologies
- System Requirements and User Experience
- Object Oriented Programming
- System Requirements Practice

**SECOND YEAR**

- System Design and Realisation
- Business Intelligence
- System Design Practice
- Network Fundamentals
- Enterprise Systems
- Agile Development and Governance
- Cloud Platforms
- Elective

**THIRD YEAR**

- Security Foundations
- Project Management: Principles and Strategies
- Big Data Concepts
- Business Resilience
- Capstone Project 1
- Capstone Project 2
- 2x Electives

Associate Degree in  
**DATA ANALYTICS** XTDA

[unisaonline.edu.au/asc-deg-data](http://unisaonline.edu.au/asc-deg-data)

**DEGREE INFO**

- 100% online
- 2 years full-time
- January, April, June, September
- Part-time study available
- 10-15 hours per week per course

**KEY FEATURES**

Fast-track your data science career with industry-recognised qualifications in just two years.

Learn how to collect, manage, and convert raw data into usable information.

Explore data visualisation tools as well as programs and techniques for data acquisition and cleaning.

Build a solid foundation in database design, R statistical software and cloud platforms.

Learn how to select and implement the appropriate data structures and algorithms to develop software and solve problems.

Explore the ethics of data collection and what it is to be a data analytics professional.

Study courses co-developed with industry.

**CAREERS**

Data engineer / data analyst / data scientist / business data strategist / data architect / data visualisation specialist / reporting analyst

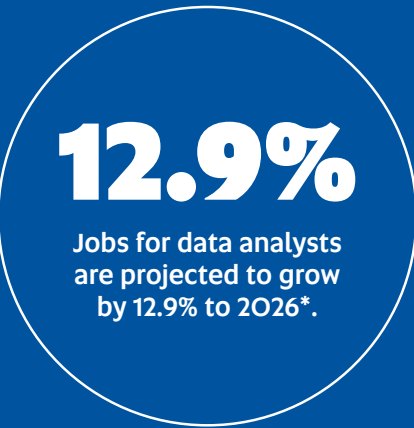

**ALTERNATIVE PATHWAYS**

Completion of online literacy and numeracy test with relevant work experience; or Foundation Studies program or equivalent through UniSA College.

**ACADEMIC SPOTLIGHT**

**Dr Rhoda Abadia**

Program Facilitator

**“I have more than 20 years of experience in undertaking research projects in the areas of user experience, data mining applied to health, virtual reality, learning analytics, artificial intelligence, and IT in education. I hold a Bachelor, Master and PhD degrees in Computer Science and specialise in the areas of artificial intelligence and information technology.**

**I am passionate about exploring how data analytics and immersive technologies such as VR can be used to enhance student learning in educational contexts.**

**I have co-authored research projects that have won teaching and learning awards and have extensive experience in delivering online IT and Information Systems programs for several Australian universities.”**

Bachelor of  
**CONSTRUCTION  
MANAGEMENT** XBBE

[unisaonline.edu.au/construction-management](http://unisaonline.edu.au/construction-management)

**DEGREE INFO**

-  100% online
-  3 years full-time
-  January, April, June, September
-  Part-time study available
-  10-15 hours per week per course

**KEY FEATURES**

Develop a career in the construction industry focusing on all types of buildings.

Learn modern construction and project management techniques and gain a holistic understanding of the entire project lifecycle.

Go on to pursue your career goals in construction project management, quantity surveying or building surveying.

Benefit from a degree developed in collaboration with industry bodies such as the Australian Institute of Building, Australian Institute of Building Surveyors, Australian Institute of Quantity Surveyors and the Royal Institution of Chartered Surveyors.

Learn from experienced academics with strong industry connections.

Study a degree accredited by the Australian Institute of Building Surveyors.

**CAREERS**

Construction manager / quantity surveyor / building surveyor / project manager / site supervisor / estimator / construction planner / contract administrator

**ALTERNATIVE PATHWAYS**

Completion of online literacy and numeracy test with relevant work experience; or Foundation Studies program or Diploma in Science and Technology through UniSA College.

Advanced Contract Administration

**STUDENT SPOTLIGHT**

**Amanda Marjanovic**

Construction Management student  
NSW

**“Studying 100% online works perfectly for me. Some universities were offering degrees that were delivered half in a classroom and half online, which just wouldn’t have worked for me. I have two children and studying on campus would not be possible.**

**The quality of my study material is great and the academics are wonderful. The fact that we’re able to access our material a week prior to the study period is extremely helpful.”**

**OUR CONSTRUCTION MANAGEMENT DEGREES ARE DEVELOPED IN COLLABORATION WITH:**

**ACADEMIC SPOTLIGHT**

**Dr Shokry Abdelaal**

Online Course Facilitator  
Construction Management

**“I have more than 18 years of experience in architectural design and urban planning and have held roles as an architect, senior designer and project manager at a number of high-profile organisations.**

**As a newly accredited Green Star Associate, I believe it is imperative to minimise our environmental footprint while improving the health and wellbeing of our communities. My research interests lie in biophilic design, which focuses on adapting natural elements in construction and architecture.**

**At UniSA Online, we offer a practical and hands-on approach to learning that emulates what professionals do in the industry. This means you’re able to apply what you’re learning to real-life contexts, giving you a competitive advantage in the workforce.”**

Bachelor of  
**CONSTRUCTION  
MANAGEMENT (HONOURS)** XHCM

[unisaonline.edu.au/construction-management-honours](http://unisaonline.edu.au/construction-management-honours)

**DEGREE INFO**

- 100% online
- 4 years full-time
- January, April, June, September
- Part-time study available
- 10-15 hours per week per course

**KEY FEATURES**

Study a four-year professional degree that will prepare you for future leadership and managerial roles in the building and construction industry

Develop the technical and practical skills to manage large-scale commercial, infrastructure and residential projects.

Choose to specialise in two of three high-growth areas in construction project management, quantity surveying or building surveying in your final year.

Conduct a research project in your area of interest under the supervision of highly experienced academics.

Study a degree developed in collaboration with industry bodies such as the Australian Institute of Building, Australian Institute of Building Surveyors, Australian Institute of Quantity Surveyors and the Royal Institution of Chartered Surveyors.

**CAREERS**

Construction manager / quantity surveyor / building surveyor / project manager / site supervisor / estimator / construction planner / contract administrator

**ALTERNATIVE PATHWAYS**

Completion of online literacy and numeracy test with relevant work experience; or Foundation Studies program or Diploma in Science and Technology through UniSA College.

*\*Choose electives from two of three specialisations in quantity surveying, building surveying, or construction project management.*

*^Students are expected to undertake industry experience in partnership with relevant construction and professional organisations prior to graduation.*

ACCREDITED BY:

**STUDENT SPOTLIGHT**

**Joe Denman**

Psychological Science and Sociology student  
SA

**“After going through a few personal and professional hardships, I sought a new direction in life. Studying online was an opportunity to make a fresh start and take on a new career path. University never seemed like an option in my life, but through UniSA Online, I’ve been able to learn new skills and continue to work, without having to sacrifice quality time with my family and friends.**

**I chose UniSA Online because of the flexibility it offers. I can work when I need to, fit in study when I can, and the best part is I can do it from anywhere. If I run into any problems or need help with my coursework there is support instantly.”**

**STUDENT SPOTLIGHT**

**Kavita Lachmaiya**

Construction Management student Assistant Project Manager, RP Infrastructure  
NSW

**“I find the work I do very interesting and have learned a lot from my team but I’ve felt I needed something more concrete to be able to put on my resume.**

**Initially I thought it would be difficult to motivate myself without the consistency of having a set class schedule. Luckily after starting, I was quickly reassured that my worries were ill-founded.**

**I’ve found that because my study directly relates to my day-to-day occupation, I am actually really enjoying the course content. The courses also have a lot of structure to them, laid out week by week, and online tutors are very accessible via chat, forums or zoom meetings.”**

**DID YOU KNOW?**

The care and support sector is one of Australia's largest, with an additional 83,000 NDIS workers required by 2024.\*

\* NDIS National Workforce Plan, 2021.

Bachelor of  
**PSYCHOLOGICAL SCIENCE  
AND SOCIOLOGY** XBPS

[unisaonline.edu.au/psych-science](http://unisaonline.edu.au/psych-science)

**DEGREE INFO**

- 100% online
- 3 years full-time
- January, April, June, September
- Part-time study available
- 10-15 hours per week per course

**KEY FEATURES**

Study the only degree in Australia that formally combines two powerful perspectives on how we live as social beings.

Examine connections between human behaviour, social structures and social policy; and discover how these relationships shape individuals, families, communities and organisations.

Choose to focus your studies in ageing and disability, and/or criminology.

Graduate with the skills needed to work as a human services professional in both the government and community sectors.

Prepare yourself for opportunities created by the National Disability Insurance Scheme (NDIS).

**CAREERS**

Disability support coordinator / planner / local area coordinator / aged care coordinator / community development officer / social policy adviser / project officer / grants officer

**ALTERNATIVE PATHWAYS**

Completion of online literacy and numeracy test with relevant work experience; or Foundation Studies program or Diploma in Arts through UniSA College.

# Apply for our scholarships and grants

We offer a range of scholarships and grants to support students from all walks of life.

Our scholarships and grants provide financial assistance to full-time and part-time students enrolled in UniSA Online undergraduate degrees.

For more information or to check our eligibility criteria, visit [unisaonline.edu.au/scholarships](https://unisaonline.edu.au/scholarships)

## UNISA ONLINE ABORIGINAL GRANT RECIPIENT

**Kelly Kildea**

Public Health student  
VIC

**“I live in the largest Aboriginal community in Victoria and know first-hand the importance of having more qualified Aboriginal people in the health sector and other key professions.**

**I’m inspired to be a part of this change. My degree will give me the skills to implement life-changing programs and policies that positively impact the health and wellbeing of Aboriginal people.**

**As a mother of four, studying online is the only option for me. From the first phone call I had with the online support staff, I felt like everything was possible.”**

## UNDERGRADUATE ADMISSION CRITERIA

Applicants are required to meet one of the following criteria with a competitive result:

### Higher education study

- Successfully completed equivalent to a minimum of half a year of full-time study of a higher education program at a recognised higher education provider.

### Vocational Education Training (VET)

- Completed an award from a recognised training organisation at Certificate IV or above.

### Work and life experience

- Passed a UniSA Online literacy and numeracy test and have relevant work experience; or
- Completed a UniSA Foundation Studies program or equivalent; or
- Qualified for Special Entry.

### Recent secondary education

- Completed a secondary education qualification equivalent to SACE, such as an interstate year 12 or international qualification.

### Online literacy and numeracy test

In order to sit the test, you’ll need to complete a UniSA Online application and provide evidence of relevant work experience.

### Residency requirements

Even though this degree is taught online, you must meet the following residency requirements:

- if you are an Australian citizen, you must be a resident in Australia for at least some of your degree to be eligible for admission; or
- if you are a Permanent Resident, permanent Humanitarian visa holder, or New Zealand citizen, you must be a resident in Australia for all of your degree to be eligible for admission.

### Fees and finance

UniSA Online undergraduate courses are Commonwealth Supported for eligible students. Commonwealth supported students are charged a portion of the cost of their higher education through a student contribution. You may be eligible to defer payment of your student contribution via Commonwealth Government’s HECS-HELP loan schemes.

UniSA Online postgraduate students are considered domestic fee-paying students. Postgraduate students may be eligible for a FEE-HELP loan to help pay their tuition fees.

[unisaonline.edu.au/fees](https://unisaonline.edu.au/fees)

# APPLY TODAY

Apply direct at  
[unisaonline.edu.au](https://unisaonline.edu.au)  
or call us on 1800 531 962.

Just follow these simple steps:

### Check your eligibility

1

Take our eligibility check and answer a few short questions to see if you’re eligible. You’ll be given an option to continue your application, save it for later or request a call back from a Degree Adviser if you have any questions.

### Gather your relevant documents

2

If you’re eligible, you’ll receive an email outlining the entry requirements and the relevant documentation you need in order to be considered.

### Complete your application and send through your documents

3

To complete your application, you’ll be asked to provide your personal details, education history, work history, and study details. You’ll also need to upload your relevant documents to verify your previous study or work experience.

### KEY DATES

Application closing dates for each term can be found at  
[unisaonline.edu.au/key-dates](https://unisaonline.edu.au/key-dates)
