DEFINITIONS:

Subject Area and Catalogue Number

A 4-letter subject area code plus a 4-digit catalogue number make up the course code, e.g. **CURR 3021**. You can search for courses by using this code.

Class Number

A class number is a unique number used to identify individual classes held during a specified study period. You can use class numbers to enrol, starting with the class number of the enrolment class.

| Study period 1 | | | | |
|----------------|------------------|---|-------------------------------|--|
| Subject Area | Catalogue Number | Course Name | Classes | Notes |
| CURR | 3021 | UO Critical Approaches to Online Learning | Enrol into class number 10155 | CURR 3021 recommended for students who do not have experience with higher education or have not studied online recently. NOTES:

1. The table above shows the full list of courses to be taken by a student undertaking a full time load solely in this year of the program. If you wish to study part time, please use the Part Time Enrolment Advice document or contact your Student Adviser team for assistance.
2. Students enrol in all courses for all study periods at the beginning of the year.
3. **If you have received credit for courses, please refer to your tailored study plan and enrol into the courses that have been mapped out for you.**
4. **If you have received credit for courses but do not have a study plan, please contact the Student Adviser team on 1300 148 812 or students@enquiry.unisa.edu.au.**
