**DEFINITIONS:**

Subject Area and Catalogue Number

A 4-letter subject area code plus a 4-digit catalogue number make up the course code, e.g. **BIOL 1033**. You can search for courses by using this code.

Class Number

A class number is a unique number used to identify individual classes held during a specified study period. You can use class numbers to enrol, starting with the class number of the enrolment class.

#### NOTES:

1. The table above shows the full list of courses to be taken by a student undertaking a part-time load solely in this year of the program.
2. Students enrol in all courses for all study periods (Study Periods 1, 3, 4 & 6) at the beginning of the year.
3. Please ensure you check the course timetable to confirm the location and possible external mode offering for each course.
4. **If you have a Study Plan, please bring it to your enrolment session to assist with enrolment.**

**PROGRAM NOTES:** This degree offers a total of 5 elective courses. All but one elective must be a Business course and you may choose one non-Business elective. You need to meet the prerequisites listed to enrol in a given elective. Please speak to the Student Adviser regarding the selection of these courses. Go here to see the complete UniSA Online electives list: <https://online.unisa.edu.au/electives>
